- The legal, business, culture
- Risk assessment
- Risk control measures
- Understanding Responsibilities
- Risk Identification - Security and Investigating costs for incidents and accidents
- Performance measurement
- Effective Security Programs - Optimizing Managerial Performance
- Protecting the environment

➤ **What kind of people take the IOSH?**

IOSH Managing safely is for managers and supervisors in any sector and any organization. It's designed to get managers up to speed on the practical actions they need to take to handle health and safety in their teams.

➤ **What are the benefits for the organization?**

What they need to know – and are perhaps reluctant to learn about – in a refreshingly informal way.

Managing safely won't turn delegates into safety experts – but it will give them the knowledge and tools to tackle the health and safety issues they're responsible for. Importantly, it brings home just why health and safety is such an essential part of their job.

➤ **What cover the qualification?**

- Internationally recognized and respected certificated training for their managers and supervisors
- Peace of mind offered by training that's designed and quality-controlled by the Chartered body for health and safety professionals
- Flexibility – the program can be delivered in slots that suit the business
- Two key areas – health and safety and environmental basics – are covered in a single program.
- Successful delegates are awarded an **IOSH Managing safely certificate**.

➤ **What will trainers get out of it?**

- Straightforward, high quality training designed by a team of specialists
- A ready-to-go program pack – we've done the hard work, saving trainers the headache and the hassle
- Full back-up from our support team on every aspect of training, from advice on the training environment to guidance on marking assessments
- Free technical updates.

➤ **Managing safely includes...**

- Full PowerPoint presentation featuring state-of-the-art animation
- Clear delegate workbook with sections for notes and Q&A sessions, and plenty of simple, custom designed illustrations – no clip art!
- User-friendly trainer notes including focused training tips and extra background information so that trainers can go into more detail in all the key areas;
- A board game and quizzes to bring health and safety to life and maximize interactivity;
- A bank of assessments, attendees' understanding in health and safety basics is evaluated using multiform at questions and a risk assessment project.

➤ **How long does it take?**

The course lasts 4 days, from 19<sup>th</sup> to 22<sup>nd</sup> of March, from 09:00 to 17:00

➤ **How is the course assessed?**

Candidates are assessed with written examinations and a homework project.

➤ **The participants' number does not exceed the 15 individuals, to optimize interaction**
