NEBOSH

HSE Certificate in Health and Safety Leadership Excellence (HSL)

20th February, 2020

Bucharest, Romania

The Health and Safety Executive (HSE) and NEBOSH have joined forces to develop a new one day health and safety qualification for senior business leaders or those aspiring to this position.

The interactive, thought provoking content shows how leaders can influence health and safety performance and culture through their actions and behaviors.

What kind of people take the NEBOSH Health and Safety Leadership Excellence qualification?

This qualification is specifically aimed at individuals currently in a position of senior leadership, e.g. Board Director, H&S Director, Operations Director, HR Director, Finance Director, as well as others in senior leadership positions or those who are aspiring to become a senior leader.

The course covers financial and legal reasons for good health and safety leadership and also it focuses on how leaders can become better advocates and influencers in relation to health and safety.

➤ **What does this course cover?**

The NEBOSH HSE Certificate in Health and Safety Leadership Excellence is designed to provoking content shows how leaders can influence health and safety performance and culture through their actions and behaviors.

➤ **Topics include:**

- What health and safety leadership means
- The moral, legal and financial reasons for good health and safety leadership
- The links between health and safety leadership and culture
- What the different leadership styles are
- How human failures can impact performance and culture
- The HSE's model of effective health and safety leadership
- How leaders can build effective relationships with the workforce

The assessment will be in the form of reflective statements undertaken throughout the course. These will show how the participant's knowledge, skills and behaviors may have both positive and negative effects on health and safety performance in their organization.

Participants will also need to make a commitment to a leadership intervention that will improve health and safety management within their sphere of workplace influence.

➤ **What are the benefits for the organization?**

This qualification has been developed specifically for aimed at individuals currently in

a position of senior leadership, e.g. Board Director, H&S Director, Operations Director, HR Director, Finance Director, as well as others in senior leadership positions, or those who are aspiring to become a senior leader. This benefits employers by:

- Leadership that reflects HSE's model of effective health and safety leadership
- Health and safety will be factored into business decisions in the future
- Leaders who recognize how their own behaviors impact on health and safety culture

➤ **How long does it take?**
