

NEBOSH HSE Certificate in Health and Safety Leadership Excellence (HSL)

NEBOSH and Great Britain's Health and Safety Regulator have jointly developed a new one day health and safety qualification for senior business leaders or those aspiring to this position.

Course Duration: 1 day (10:00 - 18:30)

Course Venue: online via Zoom

Date: 26.03.2021

**Course Fee: 350 EUR (VAT not included)
300 EUR/ participant (min. 15 participants)**

Who can benefit from this course?

This qualification is for senior business leaders or anyone who aspires to become one in the future. It offers guidance on the key areas to focus on to make a difference and how leaders can become better advocates and influencers in relation to Health and Safety.

Ideal for: managers, safety representatives, advisors working within the process industries.

Benefits

- Health and Safety will be factored into business decisions in the future;
- Leaders will recognize how their own behaviors will impact the health and safety culture;
- Leadership that reflects HSE's model of effective health and safety leadership.

Pre-course requirements

Minimum standard of English required for candidates.

Course Topics

- What health and safety leadership means
- The moral, legal and financial reasons for good health and safety leadership
- Different leadership styles
- How human failures can impact performance and culture
- The HSE's model of effective Leadership
- How leaders can build effective relationships with the workforce

The assessment will be in the form of reflective statements undertaken throughout the course.

Registration Deadline: 26.02.2021

All course material are provided!

All participants will receive participation certificates from NEBOSH!
